

ISAAC DIRECTORY[®] 2012 ANNOUNCEMENT

ISAAC as an organization is always looking for ways to maximize the efficiency and effectiveness of every dollar raised through membership, donations, and advertising revenues. Our goal is to limit our administration spending to that which is absolutely necessary, thereby maximizing the funds available for the furtherance of our organization's mission and goals.

Combined with this, ISAAC also wants to provide its services to our membership in as environmentally responsible a manner as possible. Up to now, all members have received a hardcopy printed version of the ISAAC Directory[®] each year. This 2011 version of the ISAAC Directory[®] will be the last year that printed copies are to be automatically distributed to our members.

Beginning with the ISAAC Directory[®] 2012, softcopy or electronic versions of the document (in pdf format) sent by email will be the default method of distribution to all members. Please note that if we do not have your email address information on file, you will not automatically receive a hardcopy version of the Directory. If you wish to receive a hardcopy version of the ISAAC Directory[®] 2012, the request form on this page needs to be completed and returned to the ISAAC International office no later than March 30th, 2012.
