Augmentative and Alternative Communication*

## **ISAAC E-News Publishing Schedule in 2012**

We are pleased to provide the attached [publishing schedule](#) for **ISAAC E-News** during 2012. Please consider distributing our copy deadlines to your membership. The first E-News deadline this year is **March 1st**, with a publication date of March 14th. We very much appreciate and encourage submissions from all ISAAC chapters and members.

This year we are returning to a quarterly E-News schedule, with more frequent Email Alerts (up to two per month) on time-sensitive issues. In addition, it will be easier to access [ISAAC News](#) through our new website. You will receive an email notification and link for each news posting, so that items can be viewed directly on the website. Also, we will launch a re-designed newsletter format in the March issue.

We hope that you are eagerly anticipating the exciting news that will be coming your way in the months leading up to [ISAAC 2012](#). We look forward to seeing you this summer in Pittsburgh, USA!

As always, we welcome your feedback on our continuing efforts to enhance the flow of communication from the ISAAC International Office.

Best regards,

[Heather Stonehouse](#)  
Manager, Communications
