

ISAAC 2016 Call for Papers Deadline Extended to October 30th

Dear ISAAC Supporter:

We want to acknowledge the great many people who have already submitted their paper proposals in advance of our October 16th, 2015, deadline. *Thanks so much to you all!*

We have received many requests to extend the deadline for submission of Conference 2016 papers. In addition, we are aware that the ISAAC website may not have been accessible for short periods of time during the past week. This was an identified service issue with our web hosting company, which has since been resolved.

As a result, the ISAAC 2016 Conference Committee has decided to extend the final deadline for the Call for Papers.

Submissions are now due no later than Friday, October 30th, 2015 (18:00 GMT).

We hope this will give those who require it, additional time to finalize their proposals for Conference 2016, being held in Toronto, Canada, next August. See the full list of conference key dates and venue below.

ISAAC 2016 Paper Submission Guidelines can be downloaded in both English [here](#) and French [here](#). Abstracts can be submitted online [here](#). Applicants will be notified of acceptance by February 19, 2016.

We hope you will take advantage of the extended deadline to submit your proposal. We look forward to hearing from you!

Regards and thanks,
